

Quomodo beatus Franciscus obdormivit in Domino
 et quidam ex sociis vidit
 animam eius
 in formam stellae
 praefulgide in coelum portari.

Poverello Francis,
 clothed in grace,
 gladly ascends into glory
 in the kingdom of the blessed.

Sweet father of the poor,
 friend of peace,
 you shine like a sun
 In the Church of God!

TO YOU BE PRAISE O CHRIST,
 THE WORD OF THE LIVING GOD,
 YOU UNVEIL THE GLORY OF LOVE
 IN YOUR SAINTS.

From the fraternity of the Franciscan Friars of the Atonement
 to “Fratelli tutti” – Brothers and Sisters All
 we wish you a happy feast day of our Seraphic Father!
 Continue to build and grow fraternity and social friendship,
 remain rooted in the values of peace, defend the values of mutual understanding,
 re-establish wisdom, justice and love,
 be reconciled to all creatures and humbly submit yourselves, one to the other.
 San Francis has given us a lively image of Christ,
 may we continue to follow him in announcing the joy of the gospel to all peoples
 and be united to the triune God in love and joy.
 Peace and all Good!
